

# Contents

Letter to Student.....	4
Standard Set 1 - Physical Sciences.....	5
Science and Literacy Assignment 1.a. - Chemical Reactions.....	5
Science and Literacy Assignment 1.b. - From Atoms to Molecules.....	7
Science and Literacy Assignment 1.c. - Metals and Their Properties.....	8
Fun Practice Assignment 1.c.....	9
Science and Literacy Assignment 1.d. - Elements and Their Properties.....	10
Fun Practice Assignment 1.d.....	13
Science and Literacy Assignment 1.e. - Microscopes.....	14
Science and Literacy Assignment 1.f. - Mixtures.....	16
Science and Literacy Assignment 1.g. - Compounds and Mixtures.....	18
Fun Practice Assignment 1.g.....	20
Science and Literacy Assignment 1.h. - The Composition of Living Things.....	21
Science and Literacy Assignment 1.i. - The Many Uses of Salt.....	23
Standard Set 2 - Life Sciences.....	25
Science and Literacy Assignment 2.a. - Living Organisms and Their Survival.....	25
Fun Practice Assignment 2.a.....	27
Science and Literacy Assignment 2.b. - The Respiratory and Circulatory Systems.....	28
Fun Practice Assignment 2.b.....	30
Science and Literacy Assignment 2.c. - The Sequence of Digestion.....	32
Science and Literacy Assignment 2.d. - Removing Waste Material.....	35
Science and Literacy Assignment 2.e. - Transporting Minerals in a Vascular Plant.....	36
Science and Literacy Assignment 2.f. - Photosynthesis.....	37
Fun Practice Assignment 2.f.....	39
Science and Literacy Assignment 2.g. - Respiration.....	40
Standard Set 3 - Earth Sciences (Earth's Water).....	41
Science and Literacy Assignment 3.a. - Earth's Water.....	41
Fun Practice Assignment 3.a / 4.b.....	43
Science and Literacy Assignment 3.b. - The Water Cycle.....	47
Fun Practice Assignment 3.b.....	50
Science and Literacy Assignment 3.c. - The Movement of Water.....	52
Science and Literacy Assignment 3.d. - Fresh Water Resources.....	54
Science and Literacy Assignment 3.e. - The Origin of Water in Our Community.....	56
Standard Set 4 - Earth Sciences (Weather).....	57
Science and Literacy Assignment 4.a. - Convection Currents.....	57
Science and Literacy Assignment 4.b. - Oceans and Weather.....	59
Science and Literacy Assignment 4.c. - Storms.....	60
Science and Literacy Assignment 4.d. - Using Weather Maps.....	64
Fun Practice Assignment 4.d.....	65
Science and Literacy Assignment 4.e. - Atmospheric Pressure.....	68
Fun Practice Assignment 4.e.....	69
Standard Set 5 - Earth Sciences (The Solar System).....	70
Science and Literacy Assignment 5.a. - The Sun and Earth.....	70
Science and Literacy Assignment 5.b. - Our Solar System.....	71
Fun Practice Assignment 5.b.....	72
Science and Literacy Assignment 5.c. - The Planetary Paths.....	74
Fun Practice Assignment 5.c.....	75
Connecting Standards.....	76
Student Notes Pages.....	79
