

Section 1: *Number Sense***Classroom Activity**

Here is a hundred square.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Cover a number and ask students to work out what it is.

Some students may have difficulty counting from a number midway between 1 and 9. Let them start at the beginning of the row if it helps.

Ask students to say the missing number.

Follow patterns of numbers down and across with the same activity.
